Graduation is coming up fast! We are proud to once again offer beautiful portraits of the Cristo Rey Jesuit Senior Class of 2017!

Seniors, be ready to take pictures in your cap and gown, and show off your style in your favorite casual outfit.

Join us in our studio, located just north of downtown Houston near the I-10 and I-45 junction.

- 30-minute photo session with 3 different looks
- Proof and order your pictures immediately after your shoot
- Credit cards, checks and cash accepted. Payment plans available.
- BRING YOUR PARENTS! These pictures are for them too!

To book your 30-minute photo session, visit our booking website:

<http://lotfivestudios.brownbookit.com>

Please arrive dressed in your outfit for your casual pose, 10 minutes before your scheduled appointment time. Students arriving more than 10 minutes late will forfeit their appointment and will have to be rescheduled for another appointment, if available.

Please bring items needed for personal grooming before and between these poses. We recommend bringing a white collared dress shirt and tie for boys' cap and gown portraits. It is strongly suggested that girls be camera ready with hair and makeup completely done before arriving.
